RESUBMISSION OF SECOND SUPPLEMENTARY
INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants filed a Second Supplemental Information Disclosure Statement and copies of the cited references in the above-identified application on April 19, 2002. In an July 1, 2002 Office Action, the Examiner of the above-identified application acknowledged receipt of the Second Supplemental Information Disclosure Statement but stated that the affiliated references were not considered because of failure to comply

with 37 C.F.R. § 1.98(a)(2) requiring submission of copies of the documents cited.

The undersigned has corresponded with the Examiner regarding the Second Supplementary Information Disclosure Statement, and the Examiner has reported that the cited references associated with Second Supplementary Information Disclosure Statement are not in the file of the above-identified patent application. Accordingly, applicants herewith resubmit the Second Supplementary Information Disclosure Statement as originally filed, along with a copy of each cited reference, a duplicate copy of the PTO 1449 Form, and a copy of the return postcard. The return postcard confirms that all one hundred twenty-seven references (127) were received by the Patent and Trademark Office on April 19, 2002.

Applicants believe that no fee is due for consideration of the resubmitted documents in view of the earlier submission of the documents as evidenced by the return postcard. The Director is hereby authorized to charge any fee that may be due, or credit any overpayment, in connection with this paper and the Second Supplemental Information Disclosure

Statement, to Deposit Account No. 06-1075. A duplicate copy of
this paper is enclosed herewith.

Respectfully submitted,

Andrew Van Court

Copies of the aforementioned documents are listed on the accompanying Form PTO-1449 (submitted in duplicate) and are attached hereto.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

It is respectfully requested that these documents be (1) fully considered by the Patent and Trademark Office during

examination of this application; and (2) printed on any patent which may issue on this application. Applicants request that a copy of Form PTO-1449, as considered and initialed by the Examiner, be returned with the next communication.

Consideration of the foregoing in relation to this patent application is respectfully requested.

Respectfully submitted,
